## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

## DECLARATION SUPPORTING PETITION TO REVIVE

Application 10634515 was filed with the US PTO on 8/4/03 and an official filing receipt dated 11/4/03 was received by our office. An Office action letter (Election/Restriction) dated 7/23/04 was received by our office and was responded to on 8/21/04. An Office action letter (claims rejection) dated 9/22/04 was received by our office. Our office notified client on 9/25/04, and no response was received although several attempts to contact the client by post and phone were made. We received a notice of abandonment on 4/7/05 and forwarded that document to the same client address on file which is:

Dr. Frank Gojny, 5388 Dressage Drive, Bonita, CA 91902

I now have come to understand that Dr. Frank Gojny was irresponsible in handling this matter and for his own reasons did not inform us to change the client address to another the assignee, Dr. Gojny's employer.

Element 21 Corp., 99 Harbour Square, Suite 3106, Toronto M5J 2H2, Canada

This company is the assignee of the instant application and was unaware of the failure on the part of Dr. Gojny to take action in the instant application. Therefore, the abandonment in this case was unintentional and a petition to revival under 37 CFR 1.137(b) is herewith filed.

I declare that the entire delay was unintentional, a reply to the Office rejection is enclosed herewith.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the Request for Revival of the instant application.
